

# Achini Wanasinghe

## Front-end developer

I'm an aspiring front-end developer who transitioned from a career in medicine to follow my passion for web development. I leverage my attention to detail and problem-solving skills to create dynamic and user-friendly web applications. Proficient in modern technologies including React, JavaScript, and CSS.

## PROJECTS

---

- **E-commerce Web Application**

*React | CSS*

Developed the frontend of an e-commerce web application using React. Implemented key features such as product listings, search functionality, and a shopping cart, with a responsive and visually appealing design.

- **Weather Application**

*HTML | CSS | JavaScript | REST API*

Developed a weather application using HTML, CSS, and JavaScript. Implemented features to display current weather conditions, forecasts, and location-based weather data by integrating a weather API. Focused on creating a clean, responsive user interface with intuitive navigation.

- **Portfolio Web Application**

*React | Tailwind CSS*

Developed a portfolio web application using React and Tailwind CSS. Designed and implemented a responsive layout showcasing projects, skills, and contact information. Utilized Tailwind CSS for a modern, streamlined design and React for dynamic content and interactive features. Ensured an intuitive user experience with smooth navigation and visually appealing aesthetics.

- **Chess Game**

*React / Bootstrap*

Developed an interactive chess game application using React for the frontend and Bootstrap for responsive design. Implemented features such as move validation, game state management, and an intuitive user interface. Ensured a seamless and engaging user experience with visually appealing board design and smooth gameplay mechanics.

The Curriculum Vitae is true and correct as at 01/07/2024  
Thanking You.  
Yours faithfully,

A handwritten signature in dark ink, appearing to read 'Saumya', is written on a light-colored, slightly textured background. The signature is fluid and cursive, with a horizontal line underneath the main part of the name.

W.A.S.Wanasinghe  
(01/07/2024)
